EDUCATION

Monmouth University

B.A. Communications (Concentration: Media Studies & Production)

West Long Branch, NJ

September 2022 - May 2026

MEDIA EXPERIENCE

Lionsgate | Debmar-Mercury

Production Assistant Intern

New York, NY

January 2026 - Present

- Support daily production operations for nationally syndicated talk show *Sherri*, collaborating with producers, stage managers, and cross-functional teams to execute live and taped segments.
- Coordinate guest logistics and talent relations, overseeing green room management, on-air participation cues, and real-time fulfillment of host and production needs during show tapings.
- Research, fact-check, and pitch segment ideas for human-interest and lifestyle content, contributing to show rundowns while maintaining editorial accuracy under tight production deadlines.

The New York Post | Page Six

Editorial Assistant

New York, NY

March 2024 - April 2024

- Supported on-site reporting for Page Six alongside senior reporter, contributing to coverage of high-profile entertainment features, including an interview with Uncle Luke during promotion for *Freaknik* (Hulu).
- Assisted with pre-interview research, question development, and field logistics while gaining hands-on experience in real-time editorial decision-making within a fast-paced celebrity news environment.
- Contributed to field production operations by assisting with talent coordination, release confirmations, and asset gathering (video, soundbites, photos) for multi-platform distribution under tight editorial deadlines.

WMCX 88.9 FM (Monmouth University Station)

Radio Personality/ Podcaster

West Long Branch, NJ

February 2022 - January 2024

- Hosted live weekly radio broadcasts and podcast episodes, operating professional studio equipment (audio boards, mics, editing software) while delivering engaging, unscripted on-air content.
- Produced and conducted interviews with campus leaders and community voices, developing research-driven segments on student life, culture, and national issues.
- Led end-to-end content production, including show rundown creation, topic research, script outlining, recording, editing, and digital promotion to grow listener engagement.

LEADERSHIP & PROJECTS

Alpha Phi Alpha Fraternity, Inc., Sigma Xi Chapter

Chapter President

West Long Branch, NJ

March 2025 - Present

- Lead chapter operations and strategic planning, overseeing programming, member development, and organizational governance.
- Coordinate campus and community initiatives, including mentorship, service projects, and external partnerships to strengthen chapter impact and visibility.

Model United Nations Team

Delegate

West Long Branch, NJ

September 2023 - August 2024

- Selected member of the university Model United Nations team, representing the institution at the Harvard National Model United Nations Conference.
- Conducted policy research, drafted position papers, and engaged in formal debate, demonstrating leadership, diplomacy, and public speaking skills in a competitive international setting.
